

Elsimate Centre for Education

Have you ever wondered how you will react when your ability to teach students is being questioned?

- We at Elsimate Centre for education will ensure that your job is secured and appraised.
- We will ensure that your impossibilities becomes possible through improvement of pass rates.

HOW WILL WE DO IT?

- We offer the best tuition services for students
- The center specialize in helping students master their concentration, attention span & focus.
- For students struggling with a particular subject it is often difficult for teachers in classrooms to give them the attention and support they need so tuition is always the best.

WHY WE ARE THE BEST

- Our tutors work at student's pace, give personalized attention, understand how they learn and explore the best way to explain difficult topics to them.
- All of our tutors are experts in their field, make their students feel at ease, are flexible & adaptable
- We have the library open to all our students anytime

- We offer wide range of academic subjects
- We assess students then categorize them as according to their abilities.
- Our classrooms feature an intense learning environment
- It gives an opportunity to meet other students and to have a healthy discussion. It increases the domain of the knowledge & creates a good competition amongst them.

WHY TUITION?

- . **Improve learning styles:** The students are able to explore new learning style and they are able to change the way they study in the classroom
- . Home tuition will help them build confidence and hence speed up their learning process

- **Personalized Relationship:** In tuition, the student is able to share the opinions and ideas with his teacher
- **Involvement of Parents:** With tuition, parents are able to keep track of the performance of their students and they are able to get in touch with the teachers to see the progress of their child

- Better grades: Some kids can excel in their academics if they get a special attention.
- Increase self-confidence: students who attend tuition classes have a high self-esteem (we have child development products)

- tuition in general will make studying enjoyable, more successful and easier.
- Tuition classes are highly effective and they provide students the extra support they need while learning
